Broker Remarks

Highly desirable motor cruising yacht which will suit most boating requirements and budgets. Single Volvo Penta D4-225 inboard with shaft driven 4-bladed propeller. Huge cockpit ideal for angling or lounging with the family. Saloon with spacious seating to port. Galley with hob and fridge. Forward cabin with offset double berth. Heads with sea toilet and shower. Electronics include a brand new Garmin touch screen colour plotter/depth sounder. Brand new batteries in May 2021. Engine fully serviced ready to go. Electric windlass and bow thruster. Full cockpit enclosure.

Accommodation

Accommodation:

Forward cabin has an offset double berth fitted with mould and mite resistant mattresses. Excellent storage options with hanging wardrobe and shelved storage between forward cabin and the rear of the helm.

Saloon seating has been recovered in wipe clean vinyl. This area can be converted to a double berth. Large wooden saloon table.

Alpi woodwork with fruit tree colour interior joinery. GRP easy clean floor covered with carpet. Interior curtains. Opening side windows in saloon. Opening deck hatch in forward cabin.

Single helm seat to starboard and double navigators bench seat to port.

Separate heads compartment with marine toilet, wash basin, shower, stowage, mirror and hanging hooks.

Cabin heating.

Galley:

2 burner gas hob and GRP Sink. Hot and cold pressurised water.

12V 42L refrigerator with storage cupboards adjacent.

Mechanical and Rigging

Overview

One of the last Beneteau Antares Serie 9 to be built before the introduction of the Antares 30. This is a non flybridge version which gives you more room in the cockpit and less faff having to get up the ladder to use an upper helm that you rarely would of used anyway. Ideal for our northern climate. This is the Volvo D4-225 version which offers comfortable cruising of 16-18 knots depending on how many are on board, sea state and the state of your bottom. She has only completed 450 hours and is in excellent condition. The hull has been antifouled and the blue topsides are in lovely condition.

The cockpit has a rarely used full cockpit enclosure. This is currently not onboard but is included in the sale. The interior offers 4-berth accommodation with a permanent double forward and a convertible double in the saloon. The saloon upholstery has recently been covered in easy clean vinyl. The interior curtains are available but not fitted. Functional galley with moulded sink, 2-burner hob and a small fridge. Electronic navigation includes a Brand NEW Garmin touch screen colour plotter/depth sounder and a Garmin VHF with inbuilt GPS.

The photographs were taken on the 9th October 2021

Mechanical:
