Remarks :

Jeanneau Sun Odyssey 41DS – Pre-Owned

A unique opportunity has arisen to purchase a beautiful, high specification 2016 Jeanneau Sun Odyssey 41DS, which presents virtually as new.

'Aquaplane' benefits from the 360 degree docking system, a rare and expensive option which allows you to berth the vessel via a joystick control, you can in fact make her go sideways! In addition to this she has electric primary winches, teak cockpit and side decks, heating, Raymarine electronics including auto-pilot, plotter, VHF and instruments.

If you are in the market for a nearly new 40 foot yacht, Aquaplane is a must see! She only has 108 hours on her engine and is lying afloat in Brighton Marina, please call to make an appointment.
