

Atlantic 444

Year: 2002
Location: Brighton
LOA: 45' 11" (13.8m)
Beam: 14' 6" (4.5m)
Draft: 4' 6" (1.4m)

Remarks:

This is a beautiful yacht, and her 'Tardis' like interior is complete with en suite heads and a superb specification. Her specification is high - bow and stern thrusters, a match for the equivalent Broom 450.

Remarks :

We are delighted to offer this lovely example of an Atlantic 444. 'Le Bec Fin' presents in superb order, her 'Tardis' like interior belies her 14 metre length. The accommodation in this boat can only be described as substantial. The owners cabin aft with its en-suite heads is simply luxurious. Fitted with twin Volvo 63P's she is no slouch either. The quality of finish from this renowned Dutch yard is superb.

She has just been anti-fouled, polished and had her engines serviced ready for a fabulous 2020 season. She has also had all of her batteries replaced at considerable expense.

She comes with a high specification with bow & stern thrusters, generator, heating and even a washing machine.

If you are in the market for a particularly spacious motor cruiser she is a must see, in our opinion she is more than a match for the equivalent Broom or Haines, huge amount of quality & space for much less money! Please call to make an appointment to view.
