

Moody 43 Eclipse

Year: 1990
Location: Brighton
LOA: 42' 5" (12.9m)
Beam: 14' 6" (4.5m)
Draft: 4' 6" (1.4m)

Remarks:

This shoal keel boat has been up until recently, she is in excellent condition and ready to go.

Maintained by the first and sole owners since new, she is in excellent condition and ready to go. She is a true cruiser, with a spacious cockpit and a well-equipped interior. She is also a true performer, with a powerful engine and a well-tuned sail plan. She is a true gem and a real pleasure to sail. Please contact us for more details.

Mechanical and Rigging

Engine

Perkins M80T 4 cylinder turbocharged 78hp diesel engine with reduction gearbox. Stainless steel propeller shaft, bronze 3 bladed propeller and bronze 'P' bracket. Dual station engine instrument panels mounted at interior and exterior helm stations. The engine space is sound insulated and fitted with an automatic fire extinguisher.

Engine had a £10,000 rebuild in 1999 due to manufacture problems but they solved the issue, replacing the block, heads, pumps, alternator and gearbox. And running perfectly.

Remarks :

This shoal keel version of this Moody 43 Eclipse 'Swiss Lady' has been lovingly cared by the first and sole owners up until now. With modifications throughout, both interior décor and cockpit functionality, she is boasting with character. She is very much a sea worthy cruiser and ready to go immediately across the ocean. Having only one owner, this boat is very well presented and looked after, of which the following owners will benefit from. Please contact us if you were interested to view.
