Remarks :

The Seamaster 8 is a spacious wide beam river cruiser, currently lying Brighton Marina, her layout is ideal for spending time aboard, we especially like the aft galley cabin. This example benefits from a replacement Vetus engine believed to be installed in 2009. Anti-fouled Summer 2020, berth paid up to end of March 2021. At this price Zebadee represents excellent value. Please call to arrange a viewing. Please note the steering system needs some attention.
