Broker Remarks

Thinking of transiting the French Canals? This beautiful boat could be your escape capsule!

DE VALK FRANEKER VALKVLET 12.30 STEEL CANAL/RIVERCRUISER BUILT 1987, (40' x 12'6" x 3'5") single DAF 6 cylinder 118HP diesel inboard engine, new starter batteries AGM, hydraulic LS hydride steering system, new charger and inverter, 3 x blade prop 24" L3, bow thruster, 6 berths in 3 cabins with full headroom, full size electric heads, new water heater/calorifier, new TV aerial, new fridge, gas cooker, microwave, shore power socket, Vetus exhaust system, equipment includes compass, log, VHF radio, davits, searchlight, fire extinguishers, gas detector, life buoys, life jackets, electric anchor winch, holding tanks, shower, etc. She has had new anodes and 2 coats of seawater antifoul. With her twin keels she has the ability to take to the ground and makes her very stable.

She has mainly been kept and used on the River Thames at Shepperton but has spent some time cruising the canals in Northern Europe. A fantastic chance to acquire a beautiful river/canal cruiser. Please note, price reflects the fact she will require some remedial work to the teak deck. Motivated seller, please bring offers for your very own water based isolation capsule.....
