Accommodation

Manufacturer Provided Description

The Maxum 2800 SCR helm includes a burl grain instrument panel, a VHF radio, a depth finder, and a Danforth compass. The cockpit lounge features a cooler and a removable table, while distinctive elliptical portlights invite the sun and breezes into the main cabin. Molded cabin entry with sliding cap provides easy access to the bright and airy cabin. The radar arch adds function to style with lighting and sound system speakers built in. Galley appliances are selected with quality, ease of use, and efficient operation in mind. The galley offers a two-burner stove and a Norcold refrigerator. The head was planned to provide optimum lighting and maximum space. Stereo speakers are placed for ultimate sound quality.

Accommodations

Generous accommodation for this size of vessel. Set out in an open plan arrangement, with two double berths, one forward one aft under the cockpit. Separate dinette, galley and enclosed heads compartment with sea toilet.

The dinette will convert for additional berths if needed.

Large sociable cockpit for lounging and bathing.

Remarks :

Spacious cruiser from the Maxum stable. Featuring an open plan layout, there is a spacious feel about the accommodation. With the large cockpit 'Southern Comfort' has a very sociable layout. Representing good value for money to get on the water this Summer we dont think she will hang around long. Please call to make an appointment to view.
