#### **Remarks :**

Dufour 365 Grand Large built in 2006 For Sale. In the same ownership since new and a very tidy example. This is the desirable two cabin owners version with a large aft cabin and a very spacious heads with dedicated shower area. Always lifted ashore for seven months a year. Very lightly used and for sale because of this. Low engine hours. A very attractive well built fast cruiser. All control lines are led aft to the cockpit so sail handling is easy when sailing short-handed. She also has transom boarding.

Sailing today says "*The **Dufour** 365 has pretty much everything you might need in an offshore cruising boat: comfortable and well-planned accommodation, quality fixtures and fittings, easily handled rig and nearly all the features you would need for extended cruising.*"
