Broker Remarks

The Bavaria Sport 360 Coupe is pure driving fun. A smart hull design in stable sandwich construction and a high freeboard ensure safety and precision handling. On deck broad gunwales, a railing that extends from bow to stern and handrails guarantee safe footing for crew and guests.

The seating area at the stern of the Bavaria Sport 360 Coupe can be converted into a dining area in the blink of an eye. The cockpit is large enough to enjoy dinner around the table. The helm seat connects the driver to the controls.
