Karnic Karnic 2760

Broker Remarks

Karnic 2760 for sale. This is a rare and quite special boat, that offers an unusual blend of decent interior space and a huge cockpit area, and all with a respectable amount of protection from the weather (with a bimini and cockpit cover), in what is essentially an open boat. There is lots of useable space with the swim platform extending the deck area and with the saloon conversion she can sleep four. Fast and fun, with great sea keeping capabilities and striking looks, this boat is a bit of a dazzler, and in great condition too. Well worth a look, as you won't see too many of these. Powered by twin Volvo petrol engines with just 200 hours running (apx). OFFERS INVITED AND P-EX WELCOME
