Windy Windy 37

Broker Remarks

Windy Grand Mistral 37 Hardtop for sale. An excellent example of Windy Boats design and traditional Norwegian high quality of craftsmanship, enhanced with the aid of modern technology. Windy Boats sea-keeping ability is legendary thanks to an aggressive deep-v planing hull design that offers improved performance, greater strength and reduced noise throughout this luxury sports cruiser.

This model was one of the first performance boats to be launched with the hard top roof. An easily driven sports cruiser, SURF DANCER has the larger engine option; Twin 285hp Volvo Kad 300's. This Windy Grand Mistral 37 has Windy's Wintec hull concept, which gives improved performance, greater strength and reduced noise throughout the vessel.

This Windy 37 Grand Mistral Hard Top is a truly versatile sports cruiser with a social cockpit area and the hard top means this is a boat for all weather use. Complete service history since new.
