**Heads:**

- Marine toilet
- Shower
- Sink
- Wet locker

**Forecabin:**

- V berth with infill to make 2 x single berths or double
- Storage and hanging locker

**Remarks :**

This absolutely lovely Najad 331 has been in the current ownership for more than 10 years, and with just 2 owners, RUBY has always been kept at Darthaven Marina. Her owners have been meticulous, and this can be seen everywhere you look. The sparkling engine has been serviced and winterized annually by Volvo engineers, and the boat always wintered ashore. The sails are removed, stored and valetted annually. The hull is polished religiously. The busy working life of the owner has meant that the boat has been lightly used, and so there is little evidence of wear and tear.

The Najad 331 is available in both wheel and tiller steering, and this example has the tiller, which is widely regarded as the sensible choice, as it gives more feedback to the

helmsman, and more cockpit space for the crew.

Needs to be seen to be appreciated.
