Remarks :

Hanse 455 for sale. Here is a rare opportunity to buy a used boat that looks almost as good as new, both inside and out, and at a fraction of the price of buying new. Her owners have been meticulous in her maintenance and clearly spent a great deal of time getting her specification spot on. She has a wonderful bright and spacious interior, both elegant and comfortable, but she is also very functional as an easily handled fast cruising yacht. Impressive deck space with self tacking jib and hidden lines, and easy to maintain Flexiteak decks, which are tastefully finished to look partially weathered.

She has a versatile, safe and comfortable cockpit, with easy access from the folding swim platform. The 3 cabin owners interior layout is perfect for a large family group, and couldn't be more comfortable. HAS TO BE SEEN TO BE APPRECIATED
