- Convertible settee to port with trotter box
- Dining table

Forecabin:

- V berth

- Reading lights
- Wardrobe

Heads:

- Sink
- Marine toilet
- Shower

Remarks :

Degero 28 Motorsailer for sale, built by the Kristeri yard in Finland. The Degero is a typically Scandinavian well built quality deckhouse motorsailer. The long keel with extensive lead ballast allows a shallow draft without sacrificing stiffness or stability. The dual helm position allows for all weather sailing. All lines lead back to the cockpit so can also be sailed single handed.

This Degro 28 Motorsailer is in excellent condition and has been recently updated. The boat is in her second ownership and has been well cared for by both her owners. Always winterised ashore on its own cradle (which does need attention).

Recent updates include, Raymarine chartplotter, AIS, Fusion Stereo, running rigging and upholstery. The standing rigging was also checked this year. Her engine was serviced in the winter of 2018 /19.

Ready to sail away.
