- V berth which can convert to a double (2 m length)
- Portapotti (*under foreberth*)

Remarks :

Cornish Shrimper 21 for sale. 'Poirot of Dartmouth' is like new in every sense, and even has that lovely smell of the day she came off the production line. The lifting keel gives a shallow draft of 0.57 making this Shrimper 21 ideal for cruising and inshore exploring. Drying moorings are easily accessible.

The rig is optimised to make the boat easy to prepare for launching using a clever pivoting bowsprit making mast lifting safe and easy. The simple track and strap mainsail attachments streamline the rigging process.

The self-draining cockpit is well protected with high coamings and room for six. Spacious

cockpit lockers offer battery, water and gas storage.

The Yanmar 9hp inboard diesel engine sets her apart from other trailer sailors.

The ballast is iron punchings encapsulated in resin and a galvanised steel centre plate make the Shrimper 21 make her more stable than the Shrimper 19, her predecessor.
