- Heads

Remarks :

Swan 46 Mk II for Sale. The Swan 46 was regarded as the best of the best when in production, with great success on the world race circuits. This particular boat has not been raced however, with original owners instead choosing to circumnavigate, and the current second owner keeping her locally. The exquisite TRAMONTANA has a list of recent improvements and updates as long as your arm. These include standing rigging, sails, teak decks, epoxy treatment, batteries, inverter, running rigging, navigation equipment and the list goes on and on....

With her epic sailing characteristics and wonderfully refined interior, here is an owners version that won't be bettered. Two double cabins and two heads, leather upholstery and fine teak joinery throughout. She is a must see for the discerning yachtsman.
