Remarks :

Atlantic 460 for sale. Amazing interior space that has to be sat in to be believed. Go anywhere ability (the Radar Arch folds down giving an Air Draught of 3.43 metres) The designer was John Bennett and the boat is very similar to the Broom equivalent, but built by the Dutch, who have taken some of the tweaks to another level of excellence. The engines have recently been overhauled and come with 1 year full Volvo warranty for parts and labour as of July 2020. Many updates in her current ownership, including coppercoat, LED lighting, 4G WiFi, Satellite Disk, TV sound system, Heating, Dishwasher, mattresses and RIB.

Well maintained and no expense spared. This is a fine and attractive boat with great sea keeping. The boat is currently ashore due to Covid-19
