- Marine toilet

Remarks :

Westerly Oceanranger 38 for sale. PIRATE'S MOON is a very fine example of these robust and well respected cruisers. Designed by Ed Dubois as a serious long-distance cruiser, but with a good turn of speed as well as excellent three cabin accommodation, these centre cockpit stalwarts can accommodate up to 8 people, but this layout lends itself to either a family or else two couples able to enjoy opposite ends of the same boat and both to enjoy the comforts and privacy of owners cabins.

Very well cared for by her owners, and annually serviced and properly winterised, PIRATE'S MOON offers her next owner the reassurance of knowing that you can jump onboard and expect everything to work. Slab reefing mainsail, roller reefing genoa, cabin heating. A fine example and a safe bet for her next owners.
