Remarks :

WET and WINDY is a stunning example of the very beautiful and purposeful looking Windy 32 Grand Tornado. Powered by a pair of Volvo D4 260hp diesels, she is capable of a top speed in excess of 40 knots, and can spend the day at 30 knots if you want to get there quickly. Only 600 hours on the clocks, and well serviced, including 2020 full engine and leg service. New cockpit upholstery 2019, and very recent canopy, plus a variety of other recent updates. Fast, comfortable, good looking, sleeps up to 4 in scandinavian luxury. What's not to like? ready to go immediately, so please call
