Remarks :

'Broadsword' is a stunning example of the fabulous Hardtop version of the Sealine S42, and with BRAND NEW ENGINES!! This beauty is from the best of Sealine, and offers both style and performance. Brand new engines in 2020 with new sterndrives and electronic controls. Built in several formats over the years due to its tremendous popularity, spacious indoor and outdoor entertaining areas, the S42 was a stunning addition to the Sealine range of unique sports cruiser convertibles.

This version, with hard top and large electric opening roof system looks stunning and creates the ultimate cockpit space.

The wide beam gives the S42 sports cruiser stability and its 'big boat feel'. Very easily manoeuvred with twin engines and bowthruster. Electronic controls are state of the art.
