Remarks :

Finngulf 33 For sale. Here is a very rare opportunity to buy a yacht that will deliver the promise to give comfort to the cruising sailor, quality to the discerning owner, and above all a performance that will put a wide smile on your face in all conditions. This Finngulf 33 can accommodate 6 people in two double cabins plus the saloon, and does so in an unapologetic traditional way. It simply delivers.

On deck you will find yourself behind the wheel of a yacht that will tease you into tweaking and trimming, and it won't be hard to get the best out of her, with her powerful fractional twin spreader rig.
