# Jeanneau Leader 40

## Broker Remarks

Jeanneau Leader 40 for sale. This sparkling SPORTOP example of Jeanneau's modern performance sports cruiser is in a genuinely 'as new' condition inside and out, and with only 70 engine hours on the clock. Fitted with twin Volvo Penta D4 300hp diesel engines, there is the added benefit of full joystick control and a remotely operated DockMate system, giving ultimate positioning control from anywhere on board so any fears about berthing can be instantly dispelled, even in a tideway!

With numerous extras over and above Jeanneau's impressive base specification, this really is the complete boat for living life to the full both at sea and shoreside. The SPORTOP version has the added advantage of being brightly lit by a large, electrically controlled opening sunroof which, combined with the smart, high-quality canvas-work around the cockpit, creates a choice of configurations according to weather and living conditions.

If you are wishing for a new boat but frustrated by order lead times you really should see this boat for yourself to appreciate her condition – she could be just the answer.

Manufacturer's Remarks:

High performance and contemporary design best define the personality of the Leader 40. Luxurious details are found throughout the refined, contemporary interior of the Leader 40. There is true harmony in the perfectly balanced interior volumes and living spaces. Designed by the most talented naval architects, the Leader 40 features the very best contemporary design influences.

Two well-appointed cabins and a convertible saloon contribute to the pleasures of life aboard, whether on a day trip or a short cruise. Particularly comfortable and inviting, the forward owner's cabin features a direct access to the heads. With three berths and a dressing table, the central cabin inspires comfort and privacy. Due to its location near the entry, the galley is well ventilated. With an L-shaped layout and numerous storage compartments (with high and low cabinets), it features an ergonomic design and great storage capacity. Chic and comfortable, the saloon is a bright, generously sized central living area that opens onto the exterior

# Accommodation
