Remarks :

Tifano is a fine example of the International Folkboat. The Marieholm has a great pedigree, safe fast sailing and can easily be sailed solo or with a crew. With four berths and a good sized cockpit she also has the capability for a good little family cruiser. Tifano has been well

maintained by her current and previous owner with a reconditioned gearbox last year, and was re-faired in 2015. Included in the sale is a complete spare Volvo MD5A engine.
