This vessel is offered subject to prior sale, price change, or withdrawal without notice.

### **Remarks :**

The Fairline Phantom 43 provides a great layout for a family sized flybridge cruiser. Powered by twin Volvo 6 cylinder diesels producing 480hp each she has a cruising speed of around 20 knots and a maximum speed of 30. Xanadu offers berthing for up to six people in two cabins and the saloon. The forward cabin provides a double berth and has an ensuite shower room while the second cabin provides twin berths with jack & Jill access to the day heads and shower room. There is a good sized midships galley to port and a light airy saloon with a further convertible double berth. Sliding patio doors provide access to the cockpit which is teak laid and provides further seating and has had a new cover. The stairs take you up to the spacious flybridge with seating for at least 6 including 3 forward facing helm seats. There are steep teak laid steps leading from both port and starboard sides of the cockpit with good sized walkways and safety rails leading to the bow.

She has recently had a new sterling 60 amp battery charger fitted as well as new batteries last year.
