Remarks :

A fantastic opportunity to purchase a Golden Line Grand 850 RIB – the flagship in the Grand fleet of RIBs. The Grand Golden line 850 rib really is the ideal family RIB combining safety and speed with a spacious and comfortable rib to be aboard, well suited for water sports and coastal exploration. The Seadek flooring provides comfort underfoot due to its soft nonslip material. Ruby Tuesday has a high specification which includes an electric sea toilet in the console compartment, electric windlass, fridge/freezer, sink, shower and top of the range Fusion Stereo. Currently stored in the dry stack here at Noss on Dart Marina she also comes with an Admiral twin axle trailer so can be towed away.

Owners remarks;

Prepare to have your head turned and make a statement on the water! The GRAND G850, is quite simply an awesome family RIB which elegantly combines performance with all the luxury and comfort you could hope for in a RIB of this size.

This 2018 Grand G850 RIB wants for nothing. Her present owner ensured she had the highest specification available, including an electric sea toilet in the console compartment; an electric windlass, fridge/freezer, sink, shower and top of the range stereo to name a few. This G850 is powered by an Evinrude G2 ETEC 300HP outboard still under warranty (with very low hours) and comes on an admiral trailer. She is currently sited at Nos Marina dry stack.

This RIB just exudes style, quality and performance making it the ideal family RIB whether you want a safe and spacious RIB on which to relax.... or up the pace and enjoy the thrills and spills of water sports and has all the features you would expect from such a head-turning RIB (details of which you can see below).

The GRAND G850 is one of the safest and most innovatively designed RIBs to come on the market with its light-weight, high-performance and high-capacity structure with a heavy-duty, deep-V hand laid hull and elegant tubes with the unique GRP step ends. Being a category B built RIB she will wrap you in confidence if the weather turns bad and get you back to port safely.

The GRAND Golden Line G850 RIB is the flagship in the GRAND fleet of RIBs. You will be spoilt for choice with the enormous sunbathing areas at the bow and stern; choose whether to stand up or sit down at the helm; and enjoy a cool drink from the integrated fridge. The rear u-shaped seating area and table makes this the perfect 8.5m RIB on which to relax and entertain family and friends.
