Remarks :

A fantastic opportunity to purchase a new generation 2018 Jeanneau Sun Odyssey 440 'Hineni' in excellent condition and having been through her first full season she is now setup and ready to go for a new owner who wants to purchase a boat that is truly ready to go.

The model is also the recipient of a number of awards including the 2018 European Yacht of

the Year award and is lauded by all those who have sailed aboard her as a fast and comfortable distance cruiser that blends superbly the mixture of sailing performance with plenty of space aboard at anchor.

The list of extras on this particular boat is extensive and she benefits from having all the initial new yacht snagging dealt with so will have very little for a new owner to do other than get on with simply enjoying her.

Re-Antifouled 2019
Engine Serviced 2019

Additional Options include:
