Mechanical and Rigging

Hellwig Marathon V505 Turbo Jet is a extremely well equipped convertible day cruiser, complemented by noble teakwood floor, marine carpet and vegan leather.

Compact design (18 ft) to find everywhere space and very flexible to use like a RIB tender.
Safe buoyancy cell construction with two powerful WHALE GULPER automatic bilge pumps, bilge water alarm and additional manual bilge pump - practically tested under rough conditions up to 1,5m waves, CE-approval according category "C" (coastal waters).
Extreme manoeuvrable jet propulsion.
High speed (28 kt) but economic in operation (about 1 l petrol per NM) thanks to downsized WEBER / TEXTRON MPE 750 HO marine turbo (143 HP).
80 l stainless steel fuel tank for three hours high speed or about five hours cruising range.
Integrated coolant circuit flushing system with shore water connection and salt-inhibitor injection
pump.
Integrated long-term greasing system for drive shaft seal with easy to change grease cartridges.
Water separating fresh air intake system for engine room and three independent ATTWOOD
blowers for variable engine room air circulation up to 10 m³/min.
Backlighted VDO Viewline cockpit indicators for all important engine and electrical parameters,
sonic depth finder, operation hours, RPM and speed as well as a backlighted RITCHIE compass.
Autopilot RAYMARINE ACU-200 with AXIOM 7 chart plotter and remote control.
