Broker Remarks

Beautiful Azimut 62 Motor Yacht, stylish and spacious. The Azimut 62 stands out from the competition due to her eye-catching and contemporary design.

This yacht is a celebration of outdoor living. Take the sun-pad in the bow area accessed from the wide sides and high railings for added security, or the huge cockpit area made for outdoor dining. And of course the fly-bridge provides abundant space for entertainment and relaxing.

The interior decorated with American Cherry Oak is also full of style, with sweeping curves, hence no sharp edges anywhere. With three large comfortable cabins plus a crew cabin.

Complete with both Bow and Stern thrusters and further complemented with a remote Yacht controller manoeuvring this Motor Yacht couldn't be easier.
