A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

## Remarks :

The ALOA 28 is a well thought out concept and an extremely seaworthy small sailing yacht and is perfect for couples or a small family.

The stern is redesigned from previous models and is more thinner and more straight. This ensures a better going against the waves and reduces the drum due to the increased buoyancy in the front.

The new Yanmar engine has more horsepower and is more silence. The sail drive makes it easier to manoeuvre.
