LOA:	64' 5" (19.63m)	Berths:	6
Beam:	20' 1" (6.13m)	Keel:	Deep V Planing
Draft:	5' 10" (1.79m)	Engines:	2

Remarks:

Mochi Craft Dolphin 64 combines the harmonious, sleek lines of the hull – The spacious and comfortable interiors thanks to the extended deck superstructure and a new layout. In line with the boatyard's tradition. The Dolphin 64's main aesthetic feature is its superstructure, whose volumes have been increased to make even more onboard space available. Another by-now unmistakable feature of Mochi Craft Cruisers' outer profile – perfectly harmonised

Mochi Craft Dolphin 64 combines the harmonious, sleek lines of the hull – The spacious and comfortable interiors thanks to the extended deck superstructure and a new layout. In line with the boatyard's tradition. The Dolphin 64's main aesthetic feature is its superstructure, whose volumes have been increased to make even more onboard space available. Another by-now unmistakable feature of Mochi Craft Cruisers' outer profile – perfectly harmonised with the yacht's stylish lines – is the wide flybridge that extends towards the stern and shelters the cockpit. On the main deck, the larger interiors also benefit from the wide front and side glazing which lets through plenty of natural light, allowing all guests to enjoy a wonderful view and the captain to rely on outstanding visibility while cruising.

"The Escape" although built in 2007 was only first used in 2009.
