Inventory

Accommodation

Number of cabins: 3 x en suite (+ crew qtrs.)
Number of berths: 7 (+ 2 crew)
Number of heads: 3 (+1 crew) x Electric
Number of showers: 3 (+1 crew)

Luxurious master cabin with queen-size bed and en suite. Plus, two twin-bedded cabins - one with a pullman berth for a 7th guest. All cabins are en suite. Crew quarters are located forward with crew hatch, accommodating two, with adjoining heads and shower.

Very spacious and comfortable interior. Entering from the aft decking, through the wide glass door, you first come to the lower living area. Light furnishings and wide portholes keep the area bright and the carpet continues from here throughout the interior. Moving forward, you come to what is much more than a cockpit. There's seating and a table on the port side with the helm on starboard. The condition of the interior, from wood furnishing to the carpeting and upholstery, has all been very well looked after.

Remarks :

San Lorenzo Motor yacht for sale with Network Yacht Brokers in Lefkas. She is the perfect example of a 'pocket superyacht' and has all that you'd expect from a boat befitting the title. With all en-suite cabins, separate crew quarters, spacious living areas, deck-mounted tender, sun mattresses on the fore deck and helm stations in both the interior cockpit and fly bridge, this is a good sized motor yacht with an affordable price tag.

The boat had a total refit in 2008 and it shows. The interior is well styled and in brilliant condition.

Mechanically, the boat has been well looked after with regular engine servicing. The engine room, accessible through the sizeable lazarette is clean and tidy and is actually quite spacious.

If you've been tempted by what you've read and seen so far, then a viewing is highly recommended.
