## Remarks :

**Reinke 13M built in Hamberg by G.L Yacht Hamburg in 1996 this aluminium bilge keeler** is in very good condition and well looked after by her current owners. (Reinke patented Asymmetrical Twin Keels), only 1,55 m depth. Can stand on keels and provides good sailing ability. Yard built (G.L Yacht Hamburg)  
She is a robust "go anywhere" blue water cruiser with her systems and engine well looked after. Strong and safe seagoing yacht easily managed short handed.  
Would suit a couple or family heading off on an adventure.
