- Cool box
- Refrigerator
- Water System - pressurised
- Hot water - calorifier
- TV

Remarks :

Bavaria 38 cruiser for sale. This boat is designed for cruising and equipped for the Med. Deep lead keel adds to the sailing ability of the yacht with the owner an experienced sailing instructor saying he has been able to sail rings around the shallower iron keeled versions. Slab reefing also makes this a desirable sailing yacht as you are able to get more shape out of the sail, added to this the davits on stern mean you are able to lift the dinghy out of the water with ease lessening the drag and taking away the risk of losing the dinghy due to a knot slipping, the davits also support the passerelle allowing you to elevate the passerelle stopping the midnight squeaks which are so commonplace with boarding planks.

Equipment includes, Bimini and sprayhood, solar panels, full set of warps plus springs to lessen wear, an aluminium bottomed Hypalon ribbed dinghy with 6HP Tohatsu outboard, passerelle with hand rail and davits. in current ownership from new.
