- DEKPA /Cruising log

Accommodation

Stepping down below and into the spacious saloon, the benefit of Jeanneau's experience is immediately apparent. The companionway stairs are curved. The interior is made of Burmese teak, which gives it a rich look. This boat has the more popular two-cabin configuration, which obviously lends itself to more space than the three-cabin version, which compromises space in the aft head and saloon to make way for a second aft cabin and a separate forward head.

- No. of Berths- doubles/singles: 2 Doubles
- No. of Cabins: 2
- Headroom: 1.86
- Curtains
- Flooring: Varnished wood very good cond.
- Chart Table
