Remarks :

The **Beneteau First 31.7** is best known for its racing heritage but don't let that fool you. If **Beneteau** knows how to do one thing then that would be how to combine practicality with comfort.

The **First 31.7** out-sails many boats of her length that are much lighter, despite her added furniture and accommodation.

Although lacking a cockpit table you will find that the space in the saloon more than makes up for it.

Ideal for young couples just starting out or for weathered sailors looking to downsize in size only and not adventure.
