DINGHY

- Dinghy - 2017
- Dinghy engine – Honda 2.3 - 2018

Remarks :

Nauticat 331 : immaculately maintained ketch rigged motorsailer providing excellent versatility under both sail and motor.

Built by Siltala Yachts of Finland in 1997, this is a beautiful and carefully maintained Nauticat 331 with a lovely light and airy layout. Spacious and comfortable, ketch rigged, cruising boat in excellent condition.

The interior live aboard layout provides two very comfortable double cabins with larger than normal berths, a light and open galley and a pilothouse with clear all round visibility has a table to seat six and a comfortable inside steering position.

A generous toilet compartment and large separate shower adds to the comfort on board.

The live aboard layout provides both comfort and storage whether for extended periods aboard or for cruising.

Full instrumentation both in the cockpit and the inside steering position provides a choice of steering positions.

Furling genoa and fully battened main with lazy jacks facilitate sail handling.

This sturdy and secure, motor sailer appeals to those who value a big engine that takes the effort out of fighting a headwind and the sheltered wheelhouse that offers safe protection.
