## Remarks :

**Formula 31SS** The Formula 31SS manages to strike a balance between a sporty motorboat and comfortable cruiser, the interior is well-appointed and comfortable for couples whilst the exterior has space for guests to come along for a days cruising. Twin Volvo Penta D4 300 means there is a high level of performance for jetting around those remote Ionian islands plus with under 1000 hours on the clock and a strict servicing and maintenance routine, this Formula in great shape and ready for many more seasons cruising.
