Remarks :

Searanger 448 motor yacht for sale. A well equipped and example of the much-respected design. Interior is American cherry joinery and blue leather upholstery. Reverse cycle air conditioning system. Twin Volvo 430HP diesels give a maximum speed of 26 knots.

The flybridge provides a great place to helm from with 360-degree views or the interior helm provides a comfortable and fully equipped navigation station. A serious long-distance performance cruiser, with a unique hull form giving excellent performance at all speeds and a smooth ride in adverse weather conditions. Complete refit by Searanger in 2007. Robust build quality throughout. Has just had a full engine and generator service.
