Remarks :

Introducing the **Kha Shing "Royal Yacht 480"** Semi-Displacement Trawler.

Crafted by Kha Shing Enterprises, one of Taiwan's most respected yacht manufacturers, this vessel was specifically built for "Royal Yachts of Sweden." The same distinguished builder is also responsible for the Tarquin Trader motorboats.

With twin 1991 425 hp Caterpillar diesel engines, the yacht boasts a cruising speed of 18 knots and a maximum speed of 22 knots. This sturdy trawler yacht has been meticulously maintained by a knowledgeable and passionate owner, making it ideal for family cruising or living aboard. She is a good example of a highly-regarded Kha Shing motor yacht with very low hours.

Featuring a 4-cabin layout, each with an en-suite bathroom, the yacht comfortably sleeps eight guests in 2 twin-bed cabins and 2 single-bed cabins. The interior and exterior spaces are both practical and expansive, offering a well-appointed, cozy living area. The spacious kitchen comes fully-equipped and includes a breakfast table.

The generous half-covered deck provides ample space and excellent visibility, with easy access to the flybridge and stern swimming platform. The flybridge area is shaded by a bimini, creating an ideal space for entertaining and effortless boat handling. An additional internal helm station offers superb visibility for added convenience.
