Remarks :

Network yacht brokers Lefkas- **Lagoon 380 owners version**- This well-equipped Lagoon offers spacious accommodation a large inventory of extras and has been carefully maintained and updated by the current owner.

This **3-cabin version** dedicates all the starboard hull to the owner with full en-suite facilities (separate shower and toilet). Guests share a combined shower and toilet in the port hull. Direct access to the cockpit from the galley makes for easy living and entertaining. The decks are wide, uncluttered and easy to walk around. This is a safe and very comfortable boat.

Excellent visibility from the helm station, where there is space for two. She is simple to sail

short-handed, with lazy jacks and boom bag for the main; furling headsail; and all lines returning to the helm. The outdoor cockpit area and helm are covered with a Bimini and cockpit table and seating provides a comfortable and well protected entertainment area with easy access to the galley via a large sliding hatch.

The engines are aft and remote from the cabins and are well sound-proofed. Propulsion is aft of the rudders (sail drives) giving a greater performance of the propellers from the twin 29hp Volvo Penta engines.

All spaces are modern, light and well ventilated. She is very comfortable to live aboard, with large beds (king size), ample headroom (1.95m in the main cabin), a simple and efficient layout and great visibility.

HIGHLIGHTS:

- **Owners Version**
- **Always Privately Owned**
- **Sleeps 6 in 3 Double Cabins**
- **Tender Carried on Davits**
- **Sail Drive Seals Changed (2019)**
- **Solar Panels**

EXCELLENT VALUE, VIEWING HIGHLY RECOMMENDED!

The lagoon 380 benefits from years of experience from the architects and research and development team at Lagoon. The layout is well thought out with access to the engine bays from the transom large and comfortable cockpit area plus a rigid walkway on the trampoline for ease of access to the forward anchor.

The saloon offers 360 views through the large windows and ease of access to the chart table from the cockpit, the inside-outside flow is also complimented by the bay windows opening wide to allow the chef to pass food directly to diners.
