Broker Remarks

The Bavaria 32 Cruiser is a “pocket rocket” of a sailing yacht. A great amount of accommodation all neatly packed into less than 10m. That makes her easy to handle, very cost effective to run but without compromising on cruising comfort.

This cruiser 32 is owned by a very reputable local engineering company and is professionally maintained to a high standard. The boat has recently been operated under charter at Lefkas marina where she is berthed. A new owner could avail of the charter option and earn some income.

Lots of storage and stylish layout.

Nice clean well looked after and easy to manage boat.
