Remarks :

The Bruce Roberts Mauritius 43 is a world cruising vessel.

This is a true sailors boat to put into port anywhere in the world. You enter down the companionway into the cabin's main salon with large settee to starboard side with "L" shaped dinette to portside and extends around with the companionway. Forward stateroom is large with offset double berth to Port with large guest head, ships service and navigation chart table located starboard side aft in main salon. Companionway to portside leads aft around engine room to master stateroom. Master stateroom also has large double berth. This vessel has a very well thought out floor plan with two private staterooms and adequate storage throughout for extended cruising as well as liveaboard. There are topside opening hatches, side opening port windows, 12 volt lighting and beautiful interior with varnished ash and mahogany sole.
