Remarks :

This Dufour 34 has been sailed all over the Mediterranean and Turkey by her current owners, who have owned the boat since 2004. The two cabin version allows for a comfortable and spacious owners' cabin forward, leaving room for a deep locker aft for storing extra sails. She is the right size layout and handling for owners of all ages and experience to spend their summer months cruising the Mediterranean. The Harken 40 sheet winches and lines are all within close reach to the skipper, making it easier for single handed sailing.
