OWNER REMARKS :

We bought the boat in October 2021, and has repaired/upgraded much on the boat: Installed internet 4G router, new motor starter battery, new domestic batteries, new forestay, new Genoa furler, water immersion heater, new fwd head toilet pump, new steering wheel leather, SafetyNet, lifevests, EPRIB and Liferaft service...

Very successful and popular model by Jeanneau combines a modern fluid design with a comfortable and spacious interior; a very good passage maker 'easily handled by a couple' makes this the perfect boat for cruising whilst combining high level performance at sea.

The deck saloon layout gives a bright and airy feel with two spacious cabins, two bathrooms and an option of converting the two rear berths into one 'very spacious' double.
