- Fridge + Freezer
- Microwave (Miele)
- Washing machine (Soba Babynova)
- Cutlery and Crockery
- Pots and pans
- Toaster
- Full set of sheets, pillows, blankets, duvets (2017)

Remarks :

The Hanse 470, coated in a sleek AWL Grip Pearl Grey finish, is a stunner that effortlessly combines performance and comfort. Designed by Judel Vrolijk, its powerful rigging and features like electric winches and a bow thruster make it a breeze to handle, even if you're sailing solo or with a small crew. The interior doesn't skimp on luxury either; with upgraded cherry wood cabinetry and light maple flooring, it offers a bright and inviting space for cruising.

The boat's layout is both contemporary and spacious, featuring a three-cabin and two-head design. The owner's stateroom at the front includes a queen-sized bed and an en suite, while the salon offers ample seating and a proper navigation station. There's also an L-shaped galley and two guest staterooms with double berths at the back. With high-spec features like full teak decks and a complete navigation suite, the Hanse 470 stands out as one of the best sailboats ever crafted by Hanse.
