Joystick Control

Manufacturer Description

Solidity and harmony, strength and grandeur: all at your fingertips. Welcome aboard the Absolute Navetta 58. This voluminous boat is easily maneuvered in complete autonomy, with cutting-edge technological equipment always at hand, and with reliability of solutions designed entirely within the walls of our shipyard.

Outdoors, relaxation is ensured by the sun loungers on the flybridge and in the bow area, reachable with ease and maximum safety. On the upper deck, you find a central helm station, a comfortable bar cabinet, a dining table with two sofas, and a panoramic, protected terrace. The bow area has an enviable sundeck, reachable thanks to wide, side-walkways and ergonomic handrails.

Aboard the Navetta 58, the spaces are designed having functionality and versatility in mind. They provide all guests with the maximum livability possible. The salon and cockpit—finely furnished and well-equipped—are perfect for a practical and dynamic life on board. The aft galley has a large worktop, a full-sized fridge, a four-burner cooktop, a sink, a dishwasher, and is separated by an electric sliding glass partition.

The helm station is ergonomic and has no central pillars on the windshield, ensuring unparalleled visibility whether standing or seated. The dashboard features EmpirBus home automation technology and can be equipped with two 17-inch GPS monitors with an access door to the side walkway to ease mooring operations.

The lower deck includes two comfortable and elegant double cabins. The master cabin is placed midship while the VIP suite is located in the bow. Both cabins featured pillarless

double-sided windows, spacious wardrobes, generous storage capacity, refined furniture with high-quality materials, desks, vanity areas, and en suite heads. The third guest cabin features twin beds that can be joined electrically into a double berth, as well as an en suite head. All of the areas below deck have sliding doors that maximize space and increase the livability of each room.

Remarks :

Absolute 58 Navetta: Rare chance to snap up a practically new 2017 Absolute 58 Navetta at a used yacht price! Stepping aboard, you'll be struck by how she cleverly uses space and natural light, making her feel like a much larger yacht. Thanks to the towering vertical windows, every room is bathed in sunlight, enhancing the already luxurious feel. She's a breeze to handle too, with Volvo IPS D-8 engines providing both power and finesse, turning even novices into seasoned sailors. This yacht comes fully equipped with the works - IPS 800s with Joystick control, Bow Thruster. Whether it's longer cruising or lounging around at anchor the Navetta 58 ensures comfort, stability, and style.

Step below deck to discover the zenith of liveability – two lavish double cabins, masterfully positioned. The midship houses the opulent master cabin, while the bow boasts the VIP suite. Expect pillarless double-sided windows, ample storage, and chic interiors in both. It's not just about luxury, though – this yacht is practical with expansive wardrobes, functional desks, and dedicated vanity areas. This is sophistication, Italian style.

Highlights listed below but included in full specification:

2 Volvo Penta 600 (IPS 800) low hours

-

50" (127 cm) TV retracts on an electric lift

-

Hydraulic Passerelle (folds inside hull envelope)

-

Bath platform hydraulic and lowers to pick up Williams RIB

-

Joy stick control 3 locations

-

Volvo Dynamic Positioning System (GPS Anchor)

-

Air condition throughout
