Remarks :

**Brokers remarks**

The 1996 Dehler 41 DS combines performance and comfort, making it a standout in its class. Its deck saloon design offers excellent interior light and views, a feature much appreciated by sailors. Built with Dehler's renowned German engineering, it boasts a solid GRP hull and an efficient deck layout for easy handling. The interior is both comfortable and stylish, designed for extended cruising. On the water, the yacht is agile and fast, thanks to its balanced rudder and sleek hull design. It's a top choice for those looking for a capable and enjoyable sailing experience.
