### **Remarks :**

Colvic vessels are renowned for their stability and seaworthiness and lend themselves to a wide range of boating experiences. Simba is ideal for fishing trips, weekending on the river or coastline and would suit either a family or couple wishing to explore the waterways. She is complete with a full electronic navigation suite and is ready to go. With just a little bit TLC you can make her your own in no time. Reasonably priced to get you out on the water this season.
