Remarks :

The Fisher Ketch 30, classic in design with its trademark wheelhouse is a beautifully crafted vessel. This hull was moulded Northshore and fitted by Fairways Marine. Sundown has been extensively refurbished, with the attention to detail being in sea worthiness. In 2014 the engine was replaced along with the skin fittings, plus a whole host of work including an overhaul of the electrics, sails and upgrades to the electronic navigation suite. She is currently the best example of a Fisher 30 Ketch on the market. A solid well proven motor sailer.
