Accommodation

Kilbar was built to the Centaur A layout with modifications to the Galley. She has 6ft standing head room and is surprisingly accommodating and spacious for a 26ft vessel. Her upholstery and curtains are in very good condition throughout.

Galley to Starboard

Gimballed Plastimo 2 ring gas hob with oven and grill
Sink with cold water
Ample work space and stowage
Assorted cutlery and crockery

Saloon Dinette to Port

Dinette with 2 facing bench seats
Converts into double berth
Table has chart draw below and doubles as navigation station
Stowage under stern bench
Electris Egnel Fridge 12V under forward bench
Ships Clock and Barometer
CD Radio

Forward

Marine Lavac Toilet to Port
Hanging Locker to Starboard

Forward Cabin

Double V berth with infill
Port Holes to port and starboard

Aft Berths

2 Single berths to aft one to port and one to starboard

Remarks :

Kilbar is the ever popular Westerly Centaur 26 - Bilge Keel. This specific model offers 6 berths in 2 Cabins and built to the Centaur A layout with a modified galley.

She offers great accommodation with very neat and tidy upholstery. She has been lovingly maintained by her current owners for the past 18 years.

She is the ideal family cruiser and ideal for the Milford Haven waterways and the coastline and nature reserve islands of the Pembrokeshire Coast National Park (or similar waters). The Bilge Keel allowing shallow water cruising and the option to dry out.

She would suit both a couple or family who are looking for an opportunity to get out on the water and develop their sailing ambitions. Fully serviced engine, anti-fouled hull this May 2019 and new sprayhood and dodgers in 2018. Well worth a look if you are considering an affordable introduction to boat ownership and exploring the waterways this summer.
